

New York Lottery Aid to Education

Fiscal Year 2014-2015

Gaming Commission

Since 1967, the New York Lottery has earned \$54.71 billion to support education statewide, including \$3.11 billion in fiscal year 2014-15. The amount of funds disbursed by the State Education Department as Lottery Aid, under the state budget process, is based upon estimated Lottery earnings at the time of budget passage. In the event Lottery earnings exceed budget estimates, those additional funds become part of the next year's Lottery aid distribution.
