If a game is active, the Prize Claim Deadline is listed as "Open".

The Announced End of Game is one year prior to the Prize Claim Deadline for each game.

No prize claimed, for a particular game, is valid unless submitted on or before the Prize Claim Deadline listed for that game.

Prize Claims mailed to the Lottery must be postmarked no later than the game's Prize Claim Deadline.

If a game is in red, it no longer has top prizes available. These games are in the process of being collected from sales agent.

Tickets may continue to be sold after all top prizes have been claimed.

**If a game is in bold**, it has expired within the past six months. Games that have expired prior to that are not shown on this report.
